Northern Soccer

Swomley new coach

Coming off an outstanding 1989 season, the Northern soccer team begins its 1990 campaign this week. Last year's varsity team won the division III title by posting a 12-1-1 record. The powerful junior varsity team played its way through the season without a defeat.

This year a team faces a real challenge with everyone gunning for the top team. Skilled players in several key positions graduated leaving holes in the lineup, but players moving up from a strong J-V team should again make Northern a contender to repeat as division champs.

Several changes have occurred in the coaching ranks since last season. Herb Bomberger has retired from the head coach's position after repeatedly leading the team through winning seasons. Ken Swomley has moved from his J-V position to become the head coach. Mike Doutrich, Northern's girls soccer coach last spring, now becomes the J-V coach. This will be another exciting season for Northern soccer. Everyone affiliated with the program hopes you will attend several games and support the team.

JV Coach Mike Doutrich, and Varsity Coach Ken Swomley

Managers Ken Kelly (L) and Jessica Hauenstein jr 1.

Soccer team defends crown

The Northern Polar Bears soccer team, 1989 Mid-Penn Division Three Champions, are geared up and set to defend their crown. The boys Varsity and Junior Varsity take the field for a home game, Friday August 31 at 6 p.m. Dover High School will provide the competition in a non-conference match up.

Head coach Ken Swomley has six Varsity letter winners returning among ten Senior players and a host of experienced underclassmen. The Polar Bears will be faced with the task of developing their teamwork quickly, playing a solid game at both ends of the field, for everyone knows the opposition is going to be attempting to turn their games up a notch or two against the Bears. As Swomley points out, "when you are the returning champ everyone is looking to dethrone you. He points to the perennial threat from Trinity and the continually improving East Pennsboro and Boiling Springs as teams to watch in Mid-Penn III.

The Junior Varsity team is under the direction of coach Mike Doutrich, who has coached at the Harrisburg Christian Academy and last year guided the Northern girls team. Doutrich will be utilizing players from last years undefeated JV team, and mixing them with a large turnout of incoming freshmen who are anxious to begin Mid-Penn action.

Northern starts their schedule this season with four straight home games. After the opener with Dover, the first week of September throws the team into full-scale conference action with Camp Hill, Tuesday 9/4, East Pennsboro, Thursday 9/6, and Mechanicsburg, Saturday 9/8. All three games will feature JV action followed by varsity with a starting time of 6 P.M. Make an effort to come out to support the Polar Bears, you are sure to be treated to a fine caliber of high school soccer.

Getting Settled Made Simple.

A new address can become Home Sweet Home in short order after a Welcome Wagon Visit is free to you and so helpful.

I'll bring a basketful of information you can use plus gifts and cards you can redeem for more gifts at local businesses. And it's so easy to arrange a visit-just get together.

I hope you'll call me soon.

WASTE WATCH

Give Dead Batteries New Life: Recycle Them!

Now dead batteries can have new life. Because the metals inside them can be recycled. The manganese (alkaline), lead, cadmium, and nickel that power flashlights, toys, watches and such can be recovered and used again.

What's more, recycling keeps these metals out of the waste stream, so they won't have to be landfilled or incinerated. That's great news for our environment.

All you have to do is put your dead batteries in the special bins at any Rutter's Farm Store in York County. The Solid Waste Authority will hand them over to the right recyclers. And we'll all thank you for being good to our environment. For more information call the Authority at 845-1066.

NHS Football

Continued from page 1

have the ball that may not be enough!

No doubt the weather will not cooperate! It just might be the type to remind people of the seashore, not football. Conditioning will, in all likelihood, be the determining factor in this initial contest of the season. It will be a home opener for Bermudian and that will be a plus for their side. If the Bears can put the wraps on the fore mentioned Mr. Forsythe, and play a consistent, determined game of their own-they can start this season off on a high note! I like Northern's chances 13 to 7.

Musical "Company"

Auditions for Stephen Sondheim's musical "Company" will be held at 7 p.m. on September 9th and 10th at the Oyster Mill Playhouse, Camp Hill. Needed are 6 men and 8 women (various ages) who can equally sing, dance and act. Auditionees should come with a prepared song.

"Company" is a musical flavored with tingling tunes and a crisp story about how difficult it is to be married, and how much more difficult it is not to be. "Company" will be playing from November 16th through December 2nd. For more information call Dave Fisher at 766-7825.

The Metropolitan Repertory Company is a non-profit organization, and a member of the Allied Arts.
